# Official Announcement of Visitor Count

# 3rd PROMOTIONAL GOODS EXPO

July 11, 2011

#### <The Solemn Declaration of No Inflated Numbers>

We consistently count visitor registration numbers clearly and stringently and, without deception, continue to release the real numbers.

#### **Fundamental Philosophy of the Totalled Visitor Numbers**

- 1. The number of visitors will be stated honestly and will not be inflated. This is our duty to exhibitors.
- 2. The inflation of visitor numbers is a misrepresentation of the contents of the exhibition and fraudulent to the exhibitors.
- 3. The number of visitors and also the counting method will be stringently announced in writing shortly after the exhibition.

#### Three Major Principles of the Counting Method

- 1. Only those who visit the exhibition and complete registration on-site are counted.
- 2. Once registered, a visitor is counted only once, no matter how many times and days they enter the exhibition.
- 3. Counting the visitors each time they pass through the entrance is regarded as an actual inflation of the figures, therefore, this counting method is prohibited.

#### ① On-Site Registrants

- All registrations are counted only once per visit, no matter how many repeat days a visitor attends the show.
- Visitors are counted for only one show visitors already registered for one of the concurrent shows will not be counted when visiting others.

## ② VIP Registrants

• VIP badge holders who did not go through registration are omitted from the count. Also, registrations are counted only once per visit, no matter how many repeat days a visitor attends the show.

#### 3 Seminar Attendees and Speakers

• The actual number of attendees and speakers at the seminar are included in the count.

#### 4 Members of the Press

• Members of the press who went through registration at the Press Room are included only once in the count.

### ⑤ Special Guests

• Government related visitors; members of the related associations are counted.
